

**OUR ADHESIVE SLIDES WILL LEAVE YOU
SPEECHLESS...ASK NEWLY!!!**

While it might be tempting to try and lick our Adhesive Slides (AKA: Charged Slides), we don't recommend it. **BUT**, we **HIGHLY RECOMMEND** you give us a call and try out a **FREE SAMPLE** of either our *Poly-L-Lysine*, *Amino-Silane* or our *New Silane Slides*. Heck, if you call us for a sample, we'll send you all three!!!

You might be wondering what's so different about Newcomer's slides versus the rest...Excellent question!

Here's a few reasons:

- Small Batch Production for an Optimal Quality Coating**
- Quality Glass**
- No Minimum Order Requirements**
- Custom Coat or Imprint Any Type of Slide**
