

# YOUR "NEWLY" ELECTED RULER IS HERE!

Instead of dreaming up and producing what we thought you might like as a ruler, we went to the people that **use** them and asked them first...Kind-of a revolutionary idea.

From all the great input we received, we tried to mesh as many of the ideas as possible and created the ultimate Ruler for Pathologists and Pathologist Assistants.

Keep in mind that we still offer our 30cm clear ruler for those applications that demand a longer, clear ruler!
